

Joanne Hunt

Hi I am Joanne Hunt, I have lived in Burntwood all of my life and I am involved in a couple of local charities, Youth work and local churches.

I am a Mum of three and work full time as an Accountant.

I have served as a Governor at Boney Hay for the last five years, initially as a parent governor and now as a co-opted one. I feel privileged to be able to contribute something back to the School that has made a difference to my children's education and helped shape their future.
