

All about me!

Family Learning Project

Choose tasks to complete with your child and then send them into school between:
04.09.18— 19.10.18

1 House Point

- ◆ A butterfly has 2 wings. 6 butterflies are flying together. How many wings do they have in total?
- ◆ Write about a life cycle of a human and the stages they go through.
- ◆ Can you find pictures of yourself as a baby? What is different about you now?

2 House Points

- ◆ 6 toads are sitting on lily pads. 12 more toads join them. How many are there altogether?
- ◆ Draw pictures to match your life cycle from a baby to elderly.
- ◆ Can you draw your favourite dinner and label it? We will use this in lesson to look at healthy eating.

3 House Points

- ◆ Challenge yourself to create your own maths word problem. Try to link it to our topic.
- ◆ Can you find out another animals life cycle?
- ◆ Create a 3d model of yourself as a baby and now.
