## Staffing News

We are very happy share with you that more babies are on the way...  
Miss Langston is expecting a baby in August  
& Mrs Gaut and Miss Rogers are both due in October!

### Staffing changes for 2025-2026:

**Mrs Andrews** will be joining us on Secondment in September as **Acting Deputy Headteacher**. Mrs Andrews is currently Assistant Headteacher at another school in our Trust, Littleton Green, and will be with us for the full academic year.

**Mrs Harris** will be joining us in September as **SENDCO** during Miss Langston's maternity leave. Miss Harris is a very experienced and passionate practitioner who currently works as SENDCO for another school in Staffordshire.

**Miss Penny** will be joining us permanently as a new **Class Teacher** in September. Miss Penny is a welcome addition to the Team and she is very excited to visit school in July to get to know her new class.

## Building Work – Little Deer Nursery

As we previously shared with parents, we have been successful in securing considerable funding to improve the area of our school which currently houses Little People Nursery and which will house our school-run Nursery, Little Deer Nursery, from September 2025. This substantial building project is scheduled to begin on Monday 23<sup>rd</sup> June, 2025.

As part of the works, a compound will be set up on the KS2 playground. We are working closely with the building contractors to ensure that the works cause as little disruption as possible and we are assured that access for parents to and from the school and the Nursery should not be affected.

## Baby News

We are delighted to introduce you to the very beautiful new addition to the Potter family – meet Junie Potter.

Mom and baby are both doing incredibly well and they look forward to seeing you all soon.

## Morning Playground safety reminder

We would like to remind all families that the playground can be very busy before school and it is important that everyone helps to keep it a safe and calm space for all children and adults.

Please ensure children dismount from bikes and scooters once inside the school gates and walk them to the bike racks. While we love seeing children being active, we ask that bikes, scooters and running games are kept to a minimum during morning drop-off, as younger children and families are arriving on foot.

We appreciate your support in helping us make sure the start of the day is smooth and safe for everyone.
